Sonshine Academy**

**Parent Handbook
2007-2008**

Letter to Parents

The staff at Sonshine School and Sonshine Academy wants to extend a warm welcome to you and your children. Your children are your most precious possessions, and we are delighted that you have chosen to share them with us!

We believe the preschool years should be filled with happy, memorable experiences. Your child's early childhood education experience is very important. Our mission is to teach young children about God's love and His plan of salvation, to guide them in applying their faith to life and in sharing that faith with others, and to provide an outstanding preschool education from a Christian perspective.

Through teaching children devotion to God, love and kindness for others, respect for authority, obedience to divine commandments, self-discipline and self-control, humbleness of spirit, and to emphasize the child's worth in the kingdom of God, we believe that Sonshine School and Sonshine Academy will provide your child a place where he/she can grow and learn in God's grace and for His glory. Every effort will be made to assure each child a safe, happy, and stimulating experience in our program in an age-appropriate manner.

This Parent Handbook has been prepared for your use throughout the school year. We hope that it provides you with answers to any questions you may have regarding our school; we recommend that you read it thoroughly.

In His Service,

Cheryl Lochner
Sonshine School Director

Ann Marie Lindig
Sonshine Academy Director

2. Days & Hours of Operation

Tuesday & Thursday 9:15am – 2:15pm

We are open September through May. We follow the Frisco ISD school calendar and observe all holidays and school days off therein.

Sonshine School

Our school day begins at 9:15. We ask that each child be accompanied into and out of the building each day by a parent/guardian or authorized adult. Parents with children in both schools may deliver children to the School hallway no sooner than 9:15.

Sonshine Academy

Teachers will begin opening car doors at 9:15am to 9:30 each morning. Student arrivals after 9:30am will need to enter the building with a parent/guardian or authorized adult and brought directly to class. Parents with children in both schools may deliver children to the Academy hallway no sooner than 9:15.

Please review your child's monthly calendar thoroughly, as some days we are unable to offer curbside service.

Should inclement weather close Frisco public schools, we will also close. In the event of school delays, Sonshine School and Sonshine Academy will remain closed.

3. Registration

Registration for current students and siblings runs from January 1st through February 12th. Registration will officially open to the public on February 13th. Registration will be on a first-come, first-serve basis.

A short wait list will be taken at the beginning of each school year to fill vacancies for the current year only. Wait lists do not carry over.

4. Tuition Policies

Tuition is payable by the first school day of the month or annually.

Sonshine School- *\$185 per month

Sonshine Academy- *\$185 per month

*A \$50 supply fee will also be collected in September & January

There is a tuition discount of \$10 per sibling.

Late payments will be incurred as follows:

- \$10 late fee if tuition is not received by the 10th of the month
- \$20 late fee if tuition is not received by the 20th of the month

PLEASE SEPARATE TUITION FOR SONSHINE SCHOOL AND SONSHINE ACADEMY, as we cannot separate tuition between the two schools. We are sorry for any inconvenience.

Tuition is to be given to the Director or deposited into the wall-mounted tuition box located outside the Administrative office for Sonshine School, or in the box located by the hall door for Sonshine Academy.

Tuition checks for Sonshine Academy may also be enclosed in monetary envelope attached to each child's folder. Please do not enclose tuition if paying with cash. Cash payments must be made directly to Director or Assistant Director for receipt.

If it becomes necessary to withdraw your child from the program, at least two weeks notice must be given in writing. If no notice is given there will be no refund of pre-paid tuition. Registration and supply fees are non-refundable.

No refunds will be given for days when children do not attend due to illness. There is no fee reduction for holidays or snow days. The total cost of our programs are prorated monthly, therefore, a full month's tuition is due each month regardless of the number of days attended therein.

5. Enrollment

Placement in classes is based on age. All classes are filled based on the age of each child by September 1st of the current school year. For example, a child must be 2 years old by September 1st to be admitted to the 2 year old classes.

Your child will not be considered enrolled until the registration fee is paid. Registration is \$100 per child. This is a non-refundable fee.

Sonshine School and Sonshine Academy does not discriminate based on race, color, national, and ethnic origin.

Sonshine School admits newborns 6 months or older through young 3's. Children in our Mom's Day Out will have supervised bathroom visits and will receive help as necessary.

Sonshine Academy admits children 3 years old to 5 years old and requires that all children be toilet trained.

6. Emergency Contacts

For both schools we ask that if someone else will be picking up your child from school, please notify the teacher in advance in writing. Your child will only be released to those designated on the registration form.

It is entirely the parent's responsibility to keep the school updated on any address, telephone or emergency contact changes. There must be at least one additional contact listed besides mom and dad in the event of illness or emergency.

7. Toilet-Training Requirements

For newborns and toddlers not yet potty-training, please bring an adequate supply of diapers, with your child's name on all items (even individual diapers).

If your child is in the potty training stage, your child must wear pull-ups or diapers. Please be sure to pack extra clothing: pants, shirts, and socks. Our main focus is in teaching your child and the other children within the classroom setting and handling each child's toilet training as is needed throughout the day.

Sonshine Academy admits children 3 years old to 5 years old and requires that all children be toilet trained. We encourage children to use the bathroom during several scheduled bathroom trips throughout the school day. As all parents know, sometimes these scheduled trips are not always enough! The children in our care are permitted to go to the bathroom with an assigned buddy should these needs arise.

In order to be considered toilet trained a child must be able to:

- recognize when he/she needs to use the bathroom,
- must be able to independently pull pants up and down, independently clean themselves

Please send children in clothing that they are able to manage independently. Children will be encouraged

to do the best they can and reminded to wash their hands.

8. Immunization Forms

State law requires us to have an updated immunization form for each student. This form must be signed by a doctor and dated. Please send a copy of any new immunizations that your child receives throughout the year to be added to your August packet.

9. Drop off & Pick up Procedures– School

Parents are asked to park and walk their infants, toddlers, and twos into the building. Drop off will begin at 9:15 and pick up will begin promptly at 2:15 at your child's classroom door.

10. Drop off & Pick up Procedures– Academy

Drop off will begin at 9:15 and pick up will begin promptly at 2:15. Entrance to the pick up line is from Main Street ONLY. Please depart the school via Hummingbird ONLY. The maximum speed limit at all times on the school grounds is 5 MPH.

There is no curbside service the first week of school as this is a period of adjustment for students, parents, and teachers.

Parents and children are asked to remain in the car until a staff member approaches to assist the child from the car. We ask that parents DO NOT exit their vehicles in the pick up line. If your child is unable to strap their self in, we ask that you pull your vehicle to the west parking lot to safely park and secure your child.

In the event of inclement weather, parents may be asked to please park and walk children into the building. In such an occurrence, there will be no cones set up to guide traffic.

11. School Security Procedures

It is the purpose and intent of Sonshine School and Academy to provide a safe, secure environment to teach and care for the children in our programs. In an effort to maintain security to the best of our ability, all paid staff within First Baptist Church - whether part-time or full-time, are required to complete a confidential application form and background check prior to being hired within our school. Background checks are ongoing.

Entry into our building is left unlocked during arrival and dismissal time each day. Between these times, doors are locked and entry can be obtained through the doorbell, to the far right at the front main doors, which will notify our staff assistant. Children in our care may only be dismissed to people who are listed on that child's approved list of caregivers. Identification is required.

12. Health Policies

Please be certain that your child is in good health before bringing them to school. Listed below are

symptoms of illness that are cause for a child to be kept at home, or if observed, sufficient reason to send a child home:

- Temperature over 100 degrees within the last 24 hours.
- A cold that is causing them to be listless or obviously uncomfortable. Including reddened eyes, congestion with barking cough or excessive coughing.
- Runny nose with greenish/yellowish mucus.
- More than one episode of diarrhea or loose stool.
- Unknown rash
- Earache/Ear infection that is causing pain/discomfort.
- If your child has any communicable illnesses (i.e.- virus, strep throat, chicken pox) he/she must remain home until he/she is no longer contagious.

If these symptoms present themselves, you will be notified to come to the school for your child. If you cannot be contacted, the contact person listed on the Emergency Contact Form will be contacted and asked to come for your child. We expect that the child be picked up within an hour after notification.

After your child's illness has passed, check with your physician before your child returns to school. Your child MUST be free of fever and contagious symptoms for 24 hours before returning to school. Parents are required to notify the school whenever a child has been exposed to a contagious disease.

13. Medications

Parents are encouraged to give all medications at home. When medications are to be administered by school staff, the following procedure must take place:

- Please space the administering of the medication to be at lunchtime, if it may be taken with food.
- Prescription and non-prescription medications will be accepted only in the original containers. The medication must be handed directly to Staff or Administration.
- Written instructions must be provided from the person prescribing the medication. This can include instructions on a prescription label.
- Because the medication will be in the original container, the label will clearly indicate the name of the medication and the name of the child to whom the medication is to be given.

14. Medical Emergencies

While all precautions will be taken to ensure the safety of your child on campus, accidents do occur. Please note that all injuries are documented. If your child is injured at school, you will be notified verbally and in writing.

In the event of an accident, the teacher or staff will administer the needed first aid for minor injuries. If it is necessary, paramedics will be called. Parents are financially responsible for the emergency services, including but not limited to ambulance and emergency room costs. Sonshine School and Sonshine Academy are covered with appropriate liability insurance.

15. Substitutes

Substitutes will always take the place of a Teacher's Aide. If a teacher is absent, the most natural replacement for that teacher is the aide who is normally in the classroom.

16. Curriculum

Sonshine School and Sonshine Academy curriculum is based on the concept that children are created uniquely and develop at different rates. It is our desire to grow Sonshine students spiritually, socially, and intellectually. Using ABEKA as our core for ages 1 year and up, we have designed a program that develops essential pre-reading skills from the earliest age. As the students progress through our program, they will begin putting letters together to form words and even sentences. We also integrate theme concepts as we teach key literacy skills. Our math curriculum promotes hands-on learning activities around basic math concepts. Through music & movement, students will reinforce the skills they are learning in class and a love for praising God. Our Bible curriculum uses fun and exciting formats such as puppetry to teach our basic doctrinal beliefs. The Sonshine Academy curriculum also includes exciting science and Spanish lessons that build a love for God's world. The key ingredient to our whole program is FUN!

17. Conferences

Sonshine Academy will plan individual parent-teacher conferences during the fall and spring to discuss your child's progress. Parents are responsible for securing childcare during this time.

18. Discipline

"Train a child in the way he should go, and when he is old he will not turn from it." Proverbs 22:6

"Do not withhold correction from a child." Proverbs 23:13

Discipline is not the same as punishment. Discipline involves teaching children right from wrong, how to respect the rights of others, which behaviors are acceptable and which are not, with a goal of helping to develop a child who feels secure and loved, is self-confident, self-disciplined, and knows how to control his impulses.

The reason we discipline is to help the children learn to love their Lord. Therefore we do have rules and expect appropriate behavior from everyone.

"Love is patient, love is kind." 1 Corinthians 13:4

Discipline is always approached in a loving, positive manner. The staff will voice to the child the desired behavior rather than denounce the negative behavior the child is demonstrating. The goal is to make the child pause and think.

When appropriate, staff should utilize the following script:

What are you doing?

What should you be doing?

What are you going to do? –OR- Can you show me what you should be doing?

Example 1: A child is yelling in school. The teacher should ask- *“Are you using an appropriate voice in school? Can you show me what it looks like to talk with an inside voice?”*

Example 2: A child is talking when they should be listening.

The teacher should ask- *“Should you be talking right now?” “Who should be talking right now?” “Can you show me what it looks like to be quiet?”*

If we feel a behavior warrants further action, we will use different age appropriate consequences. These include a short time out or a “thinking chair”, removal from an activity, losing a stick in the behavior chart, a phone call to mom, or a visit to the Director. Any consequence will be done without embarrassment or humiliation. The goal of the consequence is to give the child an opportunity to rethink their behavior and to make better choices. The guideline we use for the “thinking chair” is one minute of time for the age of the child. If we feel it is necessary, we will inform you of any incident through your child’s daily report.

If the child exhibits uncontrollable behavior or threatens his/her own safety or the safety of others, his/her parents will be called to pick the child up immediately.

19. School Rules

“Be courteous to all men.” Titus 3:2
Corinthians 3:9

“We work together.” 1
“Be kind to one another.” Galatians 5:13

Our school will consistently stress the importance of the following rules to children. Your assistance in sharing these rules with your children is greatly appreciated!

- We say “please” and “thank you.” Children should be respectful of staff and friends. This would include using appropriate terms of respect (ma’am, Mrs. etc) and the importance of saying, “I’m sorry” or “I forgive you.”
- We keep our hands to ourselves. Children should be courteous. This would include disruptive behavior.
- We follow directions.
- We pick up our toys. Students should be respectful of their surroundings. This would include school property, picking up after their self, and pushing in chairs.
- We take turns. Patience does not always come naturally; patience is developed and taught.
- HAVE FUN!

20. Biting Policy

Biting is, unfortunately, not unexpected in toddler groups but can be very emotionally charged. There are many reasons toddlers may bite. Sometimes the biting is related to teething. Sometimes toddlers bite to express feelings they can’t express with words yet. We have seen children bite when they are frustrated, and we have seen them bite in the excitement of a happy moment. No one can predict which children will bite, but we are ready to help toddlers who do bite learn other behavior. We are also ready to give treatment, sympathy, and advice to children who are bitten.

Here are the ways we work to prevent biting and how we respond to it when it does happen.

- First, we try to program the day to avoid boredom, frustration, or over stimulation. We provide a calm and cheerful atmosphere with a mix of stimulating and soothing, age-appropriate activities and with multiples of favorite toys. We also work to model acceptable and appropriate behaviors for the children, helping them learn words to express their feelings and giving them tools to resolve conflicts with our help.
- Second, if a bite does occur, we help the child who was bitten. We reassure him or her and care for the bite. If the skin is not broken, we use a cold pack. If the skin is broken, we follow medical advice and clean the bite with soap and water. If it is likely that the bite may get dirty, we will also cover it to keep it clean. If your child is bitten, we will call you to let you know about the bite. The teachers fill out an incident report, have it signed by our director or assistant director, keep a copy on file, and give one to you when you pick up your child. We also respond to the child who did the biting. We show the children strong disapproval of biting. Our specific response varies depending on the circumstances, but our basic message is that biting is the wrong thing to do. We help the child who bit learn different, more appropriate behavior, and we let their parents know that there's a problem so we can work together to solve it.
- Third, the teachers and directors try to analyze the cause of ongoing biting. We work to develop a plan to address the causes of the biting, and we put all our energy into keeping children safe and helping children who are stuck in biting patterns. When we need to develop such a plan, we share the details with parents so they know specifically how we are addressing the problem.
- Fourth, parents are notified if their child starts to bite. We ask parents to keep us informed if their child is biting at home. Children who bite in our program do not necessarily bite at home. But if your child is biting in both places, it is important for all of us to be consistent in dealing with it. Communication is very important in order to help your child stop biting.

We wish we could guarantee that biting will never happen in our program, but we know there is no such guarantee. You can count on us to deal appropriately with biting so that it will end as quickly as possible. We will support your children whether they bite or are bitten. We want the best for all the children in our program. If you want more information on biting or have any questions or concerns, please let us know.

21. Withdrawal Policy

If it becomes necessary to withdraw your child from the program, at least two weeks notice must be given in writing. If no notice is given there will be no refund of pre-paid tuition. Registration and supply fees are non refundable.

Also, at the discretion of the teacher and administration, a parent may be requested to withdraw their child for these or other reasons:

- If the child does not make the proper adjustments to school or is considered in any way to be a detriment to the other children or program.
- If the special needs of a child cannot be met after a trial period.
- Physical and/or verbal abuse of staff or children by parent or child will not be tolerated.

- If medical or immunization records are not provided and current.
- Non-toilet trained children in the Academy program.
- Non-paid tuition and fees.

22. Clothing

Please dress your children in play clothes suitable for playing and painting. We use tempera paint, but the children do not always wear their paint smocks and sometimes a brush may go astray. We do try to be careful, but as you know, accidents do happen.

Please select shoes that give support and allow freedom of movement for climbing, running, skipping and other activities. Please NO flip-flops, crocs, or backless shoes, as they do not provide the support and safety required. Rubber soled shoes or sneakers are best. For Sonshine School students, sneakers are preferred.

23. What to Bring Each Day

Please provide your child with:

- A nutritious lunch and drink (please no sippie cups for Academy students). We are unable to heat lunches for children.
- Change of clothes (weather appropriate)
- Nap mat for ones & twos
- Large towel for three year old “quiet time”
- Sonshine folder
- For Sonshine School (one year & up) and Sonshine Academy, please provide your child’s breakfast to them prior to arriving at school. Please do not send them into school with unfinished breakfast items.

To ensure that your child's belongings stay together, be sure to label all clothing, backpacks, etc. PLEASE leave your child’s toys at home.

24. Lunches & Snacks

Sonshine School and Sonshine Academy will provide snacks for your child daily. Not all classes have a snack time. Please inquire with your teacher.

Sonshine School students will need to bring an adequate number of bottles, pacifiers, and cups, all labeled, for your child. A suggestion would be to use fingernail polish, as it will not wash off in water but can be removed later if needed. Also, please send your child with finger foods for lunch. Please do not send applesauce or go-gurts. While we would like to encourage healthy eating habits, we also want the children to be able to eat their food by themselves.

Pizza Days are held twice a month and are offered only to our preschoolers in Sonshine Academy. Please check your child’s monthly calendar for exact dates.

To purchase lunch for your child you may enclose payment within the monetary envelope attached to the inside of the daily folder or you may send in an envelope marked- PIZZA, with the check/money and order

form enclosed. Order forms will be sent home two days before each pizza day and are due the Tuesday preceding Pizza Day.

25. Monthly Newsletter

A newsletter is sent home each month providing you with a calendar of upcoming events and general news about our school. The newsletters differ for Sonshine School and Sonshine Academy. Please read the newsletter carefully each month. Sometimes we may request that you bring something to school -- for example, toilet paper rolls for a craft project. We may also have School Spirit Days or Color Days where children are asked to wear their school shirt (if they have one) or a specific color that corresponds to their calendar. There will also be helpful information included. Do not hesitate to call us for clarification of items in the newsletter.

26. Field Trips- Sonshine Academy

Our Academy students will go on field trips throughout the school year. Each student is required to have a signed permission form on file in the school office in order to go on these off-campus trips. Parents will be notified in advance of a field trip by their child's classroom instructor. The notification will include items needed for the field trip, such as a lunch, or money. All students will need to wear their Academy shirts for all off-campus activities.

While we will do our best to provide adequate transportation for field trips, it may be possible that a scheduled trip will need to be cancelled if we do not have enough parent volunteers to assist in driving or chaperoning. PLEASE consider accompanying your child on a field trip during the school year. Children LOVE when their parents participate. This can be a special trip for them and you!

For your convenience, Sonshine Academy does try to bring most field trips to our facility. In such an event, we may request a monetary amount to cover the expenses associated with these "trips."

27. Special Guests

Occasionally we have special guests come in to share something interesting with the children. If you would like to share with the children about your work, your hobby, or any activity that you like to do, please let one of the teachers know and we will book a convenient time for you to come in and do this!

28. Celebrations (aka- Parent Parties)

Each of our Sonshine classes celebrates several holidays and theme days with special events during the year. Parents are asked to sign up to help with one of these parties each school year.

Parents will be teamed with another parent to provide an age and theme appropriate party to celebrate the special day. Please discuss the plan with the teacher prior to the party. The party should consist of simple refreshments and one craft or activity. Sign ups will be available at our Meet the Teacher night and the first day of school.

29. Fire Drills

Regular fire drills will be held. These are carried out in a calm manner. Please talk to your children at home about these practices. You may want to have your own family fire drills.

30. Birthdays

Birthdays are very special to young children. We would like to celebrate each child's birthday either on or near the actual birth date. If you would like to bring special treats that day, we encourage you to do so. We suggest individual servings such as cookies, or easy-to-eat snacks. Please make arrangements with your child's teacher in advance.

Please do not ask our staff to deliver children's birthday invitations unless there is one for each child in the class.

In Sonshine School, children with summer birthdays will be recognized in a combined party at the end of the school year.

In Sonshine Academy, we want to ensure that all children and staff feel recognized for their special day. For all of our children, with summer birthdays (May 29-Sept 11), we will recognize their half birthday. Feel free to bring treats or help celebrate their "Happy Half!"

31. Teacher Appreciation

We like to praise our teachers for the work that they do. Both of our schools would like to encourage you to please let us know if your child has informed you of something wonderful they have learned from their teacher, positive feedback, or any praises you may have. Unfortunately, we cannot be in the class rooms at all times- so anything you have to offer helps us to truly recognize teachers for a job well done! Please email them or drop any notes in our tuition box!

Throughout each year we often have parents approach us about various staff's hobbies, favorite snacks, drinks, etc. If you would like such information, we have Teacher's Questionnaires on file in our offices. We also offer Teacher Luncheon certificates for \$7. These certificates allow you to purchase a "free lunch" for the staff member of your choosing.

32. Set Your Child up for SUCCESS

1. Our school day begins at 9:15am. Please be prompt in getting your child to school and picking him or her up. We ask that you do not bring your child early, as this would interfere with the staff's preparation time before class. Teachers are busy and distracted at this time, and unable to give a full welcome to your child.
2. Separation anxiety occurs in many different situations and at different stages in young children. Check your own attitude. If you are anxious about a pending separation, your child will notice!
3. Teach your child self-reliance. Encourage him to do things for himself.
4. Confer regularly with the teacher about your child, but refrain from discussing the child in his presence.

5. Take an interest in your child's daily experiences and whatever your child brings home.
6. If you do not already utilize a daily devotion with your child, now is the time! Our schools utilize the following books for our daily devotion time: *Jesus Wants All of Me* by Oswald Chambers, *The One Year Book of Devotions for Preschoolers and Toddlers* by Crystal Bowman, as well as, *Blessings Every Day: 365 Simple Devotions for the Very Young* by Carla Barnhill.

33. Evaluating and Improving our Program

Sonshine School and Sonshine Academy are dedicated to offering the best program possible. We are continually seeking your feedback to improve and evaluate our program. A survey will be sent out each year where you are welcome to provide comments about the program.

The preschool believes that parent input is a valuable part of our program assessment. Parents are encouraged to address concerns or share ideas with the teachers at any time. Parents should bring any problems or concerns to the attention of their child's teacher. If the matter cannot be resolved at this level, parents should contact their child's school Director or Assistant Director.

34. Job Opportunities

Being a substitute teacher assistant gives the parent an opportunity to see first hand how their child is responding to the preschool experience and be involved in their learning process. If you are interested, please contact either of the Assistant Directors for more information and an application.

35. First Baptist Church of Frisco

Consistent with the philosophy and objectives of Christian education, church and Sunday School attendance is highly desirable and important. Going to church does not just benefit *you*; it benefits the ones you are around.

Sonshine School and Sonshine Academy believe that children are unique and special gifts from God. He entrusts the care of these children to parents. The church can assist parents in this care, especially in spiritual matters.

"But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it, and how from infancy you have known the holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus. All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work." 2 Tim 3:14-17

"Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another- and all the more as you see the Day approaching." Heb 10:23-25

If you have no church home, we invite you to attend one of our worship services. First Baptist Frisco is a fellowship of people whose purpose is to love and worship God, to equip believers to live out their faith, and

to introduce others to a living relationship with Jesus Christ.

Our goal is to minister to the entire family. We have a variety of programs and activities for all ages. We invite you to explore any of the programs which interest you.

You will find our worship is a contemporary blend of modern worship songs, classic hymns, drama and video. We believe that church ought to be fun and the highlight of our week. Our children's and student ministries are energetic and focused on the application of God's word to everyday life.

9:30am- Blended Worship

Our blended service mixes some of the most popular worship choruses with some of the most loved hymns, all led in a modern worship format by our full worship band and choir.

9:30am & 11am- Bible Study

We offer a Bible Study Class for every age and Kidscare for infants and toddlers.

11am- Contemporary Worship

Our contemporary service utilizes both well known and cutting edge worship choruses, all in a modern worship style with our band and choir.

FBC Frisco offers many opportunities to grow in the grace and knowledge of our Lord and Savior, Jesus Christ. This includes: Women's and Men's Bible Studies, non-committal Bible Information Classes for any adults that are interested in reviewing for themselves the basic teachings of the Bible, Mission programs for preschoolers and school aged students, Choir programs for adults, children, and preschoolers, and/or becoming members of First Baptist.

For more information about our church and programs that we have to offer, you may inquire in our office or visit our website at www.fbcfrisco.org

36. Doctrinal Statement

We believe in the verbal inspiration and authority of all scriptures. We believe that the Bible reveals God, the fall of man, the way of salvation, and God's plan and purpose in the ages.

We believe in God the Father, God the Son, and God the Holy Spirit.

We believe in the deity, virgin birth, and bodily resurrection of Jesus Christ our Lord.

We believe that salvation is "by grace" plus nothing and minus nothing. The conditions of salvation are repentance and faith.

We believe that men are justified by faith alone and are accounted righteous before God only through the merits of our Lord and Savior Jesus Christ.

We believe that Sonshine School and Sonshine Academy are a direct ministry of First Baptist Church of Frisco and have the mission to preach and teach Jesus Christ, in order to fulfill the Biblical commission of a daily ministry.

"All scripture is inspired by God and is useful to teach us what is true and to make us realize what is

wrong in our lives. It straightens us out and teaches us to do what is right. It is God's way of preparing us in every way, fully equipped for every good thing God wants us to do." 2 Tim 3:16-17

"Jesus said, "I am the way, the truth, and the life. No one comes to the Father, except through me." John 14:6

"If you confess with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved." Romans 10:9

"To all who received him, to those who believed his name, he gave the right to become children of God-children born not of natural descent, nor of human decision or a husband's will, but born of God." John 1:12-13
